New Delhi, the 31<sup>st</sup> January, 2011

No.F.23-2/2011-SP-I - The adoption of good governance practices by National Sports Federations (NSFs), including the Indian Olympic Association (IOA), is essential for healthy sports development in the country. Toward this end, the Government had issued comprehensive guidelines in 1975, 1988, 1997 and 2001. Post 2001 also several major initiatives were taken by the Government such as declaration of NSFs availing of government grant as public authorities under the Right To Information Act, 2005, introduction of annual recognition for National Sports Federations, implementation of age and tenure limits in respect of office bearers of National Sports Federations, notification of NADA Anti Doping Rules, introduction of guidelines for prevention of age fraud in sports, prevention of the sexual harassment in sports, and the holding of fair and transparent elections in National Sports Federations. With a view to bringing together all orders/ notifications/ instructions/ circulars issued post 2001 guidelines and the 2001 guidelines, these are now amalgamated with necessary modifications, into one comprehensive Code entitled "National Sports Development Code of India (NSCI), 2011, which is hereby notified in supersession of all earlier instructions on this subject matter. The NSCI 2011 shall come into force with immediate effect.

(Injeti Srinivas)  
Joint Secretary to the Government of India
